EXPRESS LANE ELIGIBILITY:

Express Lane Eligibility (ELE) is an automatic process to enroll or renew eligible children under the age of 19 who are receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), Refugee Cash Assistance (RCA), Child Care and Parent Services (CAPS), or Women, Infants and Children (WIC) into the Medical Assistance program.

The Division of Family and Children Services (DFCS) will use the household size, residency, and income information from SNAP, TANF, RCA, CAPS or WIC, but DFCS will verify citizenship or immigration status using Medical Assistance rules to make an ELE determination to automatically enroll or renew the children in Medicaid or PeachCare for Kids®. DFCS will send a determination notice once completed, let members make any changes and allow them to opt out of the ELE process or terminate the Medical Assistance case at any time.

I understand that this information may need to be verified to determine eligibility. I understand wage and salary information supplied by the Georgia Department of Labor may be obtained to verify and determine eligibility for Medicaid. I agree to assign to the state all rights to medical support and third-party support payments (hospital and medical benefits). I agree to give the State the right to require an absent parent provide medical insurance, if available. I understand I must get medical support from the absent parent if it is available and must cooperate with the Division of Child Support Services in obtaining this support. If I do **not** cooperate, I understand I may lose my Medicaid benefits, and only my children will receive benefits unless good cause is established. I understand that I must report changes in my income and circumstances within ten (10) days of becoming aware of the change.

The Georgia Department of Human Services (“DHS”) collects Personally Identifiable Information (PII), such as names, addresses, telephone numbers, email addresses, and dates of birth, etc., during your application for benefits. Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health (“the Departments”) are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments’ programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at (877) 423-4746 or the DCH Katie Beckett (KB) Team at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>, or you may obtain the DCH ADA Reasonable Modification Request Form at the KB office, online at <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, or you may email your modification request to DCH.ADAassistance@dch.ga.gov.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746. For DCH, contact the KB Team ADA/Section 504 Coordinator at 2211 Beaver Run Road, Suite 150, Norcross, GA 30071 or P.O. Box 172, Norcross, GA 30091, (678) 248-7449. The DCH email is: dch.adarequests@dch.ga.gov.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us. The email for DCH Civil Rights complaints is: dch.civilrights@dch.ga.gov. The link for the DCH Civil Rights process and complaint form is located at: <https://dch.georgia.gov/adasection-504-and-civil-rights>.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

You have the following rights regarding information DHS has about you:

Right to Inspect and Copy. You have a right to inspect and copy Health Information that may be used to make decisions about your care or payment for your care. This includes medical and billing records, other than psychotherapy notes. To inspect and copy this Health Information, you must make your request, in writing. DHS has up to 30 days to make your Health Information available to you and DHS may charge you a reasonable fee for the costs of copying, mailing or other supplies associated with your request. DHS may not charge you a fee if you need the information for a claim for benefits under the Social Security Act or any other state or federal needs-based benefit program. DHS may deny your request in certain limited circumstances. If DHS does deny your request, you have the right to have the denial reviewed by a licensed healthcare professional who was not directly involved in the denial of your request, and DHS will comply with the outcome of the review.

Right to an Electronic Copy of Electronic Medical Records. If your Health Information is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or transmitted to another individual or entity. DHS will make every effort to provide access to your Health Information in the form or format you request if it is readily producible in such form or format. If the Health Information is not readily producible in the form or format you request, your record will be provided in our standard electronic format. If you do not want this form or format, a readable hard copy form will be provided. DHS may charge you a reasonable, cost-based fee for the labor associated with transmitting the electronic medical record.

Right to Get Notice of a Breach. You have the right to be notified upon a breach of any of your unsecured Protected Health Information (PHI) and PII.

Right to Amend. If you feel that DHS has incorrect or incomplete information about you, you may request DHS to amend the information. You have the right to request an amendment for as long as the information is kept by or for our office. To make changes, you can go through your user portal, contact customer service for the program to which you are applying, contact your case manager, or make your request, in writing, to the below referenced Privacy Officer. We encourage you to review your information on a regular basis to make sure it is correct.

Right to an Accounting of Disclosures. You have the right to request a list of certain disclosures DHS made of Health Information for purposes other than treatment, payment and health care operations or for which you provided written authorization. To request an accounting of disclosures, you must make your request, in writing, to the Privacy Officer.

Right to Request Restrictions. You have the right to request a restriction or limitation on the Health Information DHS uses or disclosed for treatment, payment, or health care operations. You also have the right to request a limit on the Health Information DHS discloses to someone involved in your care or the payment for your care, like a family member or friend. For example, you could ask that DHS not share information about a particular diagnosis or treatment with your spouse. To request a restriction, you must make your request, in writing. DHS is not required to agree to your request unless you are requesting DHS restrict the use and disclosure of your Health Information to a health plan for payment or health care operation purposes and such information you wish to restrict pertains solely to a health care item or service for which you have paid “out-of-pocket” in full. If DHS agrees, we will comply with your request unless the information is needed to provide you with emergency treatment.

Right to Request Confidential Communications. You have the right to request that DHS communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that DHS only contact you by mail or at work. To request confidential communications, you must make your request, in writing. Your request must specify how or where you wish to be contacted. DHS will accommodate reasonable requests.
